Dear Parents and Guardians:

We recently received notice of our Adequate Yearly Progress (AYP) determination from the Bureau of Indian Education for the 2013/2014 and 2014/2015 school years. We are awaiting notice for the 2015/2016 school year and we will provide notice to our stakeholders when it arrives. Since the state of SD was granted a one-year waiver in 2013-2014 to develop and test the new assessment from Smarter Balanced Assessment Consortium, ESDS is "held harmless" for that school year. Our status for the 2014-2015 school year is "restructuring", which means the school has developed and implemented an innovative school improvement plan. You can access the full plan and other related school improvement information on Native Star at [www.indistar.org](http://www.indistar.org) (guest log in: guestBIE4201; password: guest BIE4201) or on our school website [www.esds.us](http://www.esds.us).

Thank you so much for being part of the Toka Nuwan Wayawapi Community and collaborating for school improvement! Our children are our future. Their success increases when schools and families work together. We are looking forward to a wonderful school year!

Pidamayaye,

  
Virginia Dolney  
ESDS Principal
