INSTRUCTIONS FOR THE ED 506 FORM

FOR APPLICANTS:

PURPOSE: To comply with the requirements in 20 USC 7427(a), which provides that: "The Secretary shall require that, as part of an application for a grant under this subpart, each applicant shall maintain a file, with respect to each Indian child for whom the local educational agency provides a free public education, that contains a form that sets forth information establishing the status of the child as an Indian child eligible for assistance under this subpart, and that otherwise meets the requirements of subsection (b)".

MAINTENANCE: A separate ED 506 form is required for each Indian child that was enrolled during the count period. A new ED 506 form does NOT have to be completed each year. All documentation must be maintained in a manner that allows the LEA to be able to discern, for any given year, which students were enrolled in the LEA's school(s) and counted during the count period indicated in the application.

FOR PARENTS/GUARDIANS:

DEFINITION: Indian means an individual who is (1) A member of an Indian tribe or band, as membership is defined by the Indian tribe or band, including any tribe or band terminated since 1940, and any tribe or band recognized by the State in which the tribe or band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

STUDENT INFORMATION: Write the name of the child, date of birth and school name and grade level.

TRIBAL ENROLLMENT INFORMATION: Write the name of the individual with the tribal membership. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one name: either the child, child's parent or grandparent, for whom you can provide membership information.

Write the name of the tribe or band of Indians to which the child claims membership. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally-recognized tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. If Terminated Tribe or Organized Indian Group is elected, additional documentation is required and must be attached to this form.

- **Federally Recognized-** an American Indian or Alaska Native tribal entity limited to those indigenous to the U.S. The Department of Interior maintains a list of federally-recognized tribes, which OIE can provide you upon request.
- **State Recognized-** an American Indian or Alaska Native tribal entity that has recognized status by a State. The U.S. Department of Education does not maintain a master list. It is recommended that you use official state websites only.
- **Terminated Tribe-** a tribal entity that once had a federally recognized status from the United States Department of Interior and had that designation terminated.
- **Organized Indian Group-** Member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect October 19, 1994.

Write the enrollment number establishing the membership of the child, if readily available, or other evidence of membership. If the child is not a member of the tribe and the child's eligibility is through a parent or grandparent, either write the enrollment number of the parent or grandparent, or provide other proof of membership. Some examples of other proof of membership may include: affidavit from tribe, CDIB card or birth certificate. Write the name and address of the organization that maintains updated and accurate membership data for such tribe or band of Indians.

ATTESTATION STATEMENT: Provide the name, address and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied.

INTRODUCTION

Mobile Devices are digital devices that can store books, periodicals, magazines, and other electronic media. Electronic Devices (e-Readers) like Kindles, Nooks, iPads, iPods, Smart Phones, and other similar Mobile Devices are quickly becoming universal in our digital culture. They simply cannot be ignored in an educational environment. Enemy Swim Day School embraces the use of technology in classrooms and welcomes the use of electronic devices to enhance student learning and interest in reading.

Enemy Swim Day School, in striving to maintain technological relevance to education, is providing the opportunity for students to use these devices in accordance with this **Mobile Device Acceptable Use Policy**. This opportunity is a **privilege** that requires extra caution and responsibility both on the part of students and their parents. This policy applies when students are at school, on school transportation, or attending a school sponsored or school related off-campus activity.

MOBILE DEVICE ACCEPTABLE USE POLICY

The wide variety of hardware and software capabilities of available mobile devices makes them challenging to monitor and control in a school environment in contrast with school owned technology assets like computers, etc. Therefore, this policy is specific and clear. **A student who violates any portion of the policy may immediately lose the privilege to use their devices at school, on school transportation, or while attending a school sponsored or school related off-campus activity.** Length of time administered for any violation of this policy will be appropriate with the nature of the violation.

GUIDELINES FOR USE OF MOBILE DEVICES AT SCHOOL

1. School administrators/officials may examine a student's personal device and search its contents if there is a reason to believe that school policies, regulation, or guidelines regarding use of the device have been violated.
2. Any device brought to school for the purpose of use in academics of school approved materials and to access instructor approved programs to assist students in studies must be registered with the main office of the school site and accompanied by the **Mobile Device Acceptable Use Agreement Form** signed by both the parent and the student.
3. Mobile Devices shall be used only for the purposes outlined in number two (2) above and in accordance with teacher instruction.
4. Mobile Devices shall not become a distraction for the student and/or other students, nor a source of any school disruption.
5. Students may access Mobile Devices before school, at lunch and after school in appropriately zoned and supervised areas only, with a staff member present and according to Technology Acceptable Use Policy.
6. Students are responsible for knowing how to properly and effectively use their Mobile Devices which should not become a burden to the teacher.
7. Students bringing their own Mobile Devices are personally responsible for the device. No personal Mobile Devices shall be loaned to other students or be left unsupervised. Parents shall assume responsibility and ultimate liability in the event that a personal Mobile Device is found to have access to networks outside of the school's filtered and monitored network.
8. The school assumes no responsibility for the loss of, theft of, or damage to any personal Mobile Device.
9. Students who are authorized to check-out a school-owned Mobile Device must also have a signed **Mobile Device Acceptable Use Agreement Form** on file in the school office.
10. All material on the Mobile Device shall comply with the spirit of educational application and all policies of the school.
11. Although parents/guardians may need to communicate with their child via mobile devices, please keep in mind that students will only be allowed to access/respond during NON-instructional times
