Family and Child Education Program

The FACE program is open to any Native Americans who's live within the school district boundaries. FACE is a family program. Families may participate in any of the three components of the program which include the home-based program , the center-based program , and the Adult Education program.

There are many benefits to participating in the FACE program. We offer field trips, incentive trips, monetary incentives for GED completion, recognition of achievements, referral services, feeding South Dakota, monthly parent meetings and other special activities.

Goals of the FACE program

- ◊ Support parents and primary caregivers in their role as their child's first and most influential teacher
- ◊ Strengthen family-school-community connections
- ◊ Increase parent participation in their child's learning and expectations for academic achievement
- ◊ Support and celebrate the unique cultural and linguistic diversity of each American Indian Community served by the program
- ◊ Promote school readiness and lifelong learning
