### FACE Spotlight-

Hi, my name is Wanda I. Torres-DeJesus. I am from Fajardo, Puerto Rico. I been living in Clark for almost

six years. I am married and I have two kids. My son is twelve years old. He loves math and science, he plays baseball, cross country and also plays the trumpet. My daughter is nine years old. She loves gymnastics and art. My husband loves bow

hunting. We enjoy spending time with our family and friends. I have a Bachelor Degree in Childhood Education. I am working in my Masters Degree. I love kids...

### Early Childhood Center

Fall has fallen and we are deep into learning! I have a new co-teacher (hurray for stability and consistency). It really helps having 2 people on the same page! This month our focus is on “Families and Communities.” Families will be going to the **Pumpkin Patch on Thursday, October 10th**. Leaving ESDS at 10 am. Both Home-based and Center-based are invited to attend. Please let me know if you are driving or riding the bus to Big Stone. We started a new alphabet routine called 26 letters in 26 days. - Toksta, Nita and Wanda.

### Adult Education

Time is flying by and the adults in FACE have been busy! We have been working on shapes and extended family words in Dakotah. We have also had some great conversations about parenting and co-parenting. Come join our FACE Family and join in the learning!

### Home-based

It is crazy that the first month of school has already passed! Fall is also a great time to talk about the 5 senses with your child. Nature walks give you a chance to talk about textures, smells, and sight. Leaves are changing colors & textures & the atmosphere in the environment is changing. So dig in the dirt, crunch those leaves, smell that Fall air!

Thank you to everyone for being flexible as we are continually revising our schedules to work for everyone! This month we will be wrapping up ASQs and any missing paperwork. We will also be gone at the Parents As Teachers National Conference October 14th - 17th, so there will be **NO home-based that week**.

### Coordinator Corner

Regional Training was an excellent time for our FACE Team to work on goal-setting and team building. I'm excited for the changes in our program, our new Early Childhood Co-teacher Wanda, and I am very happy to have joined the FACE Team as the coordinator this year! Ake waciyake kte, Ms. Mary Beth
