Employees will, as a condition of employment at the School, be required to participate in the Professional Development each year. Individual professional development plans will be developed based on personal goal setting and school wide improvement goals. GAE COMPLAINTS

The School Board will provide employees with a specific process and procedure for resolving work-related complaints that are designed to:

1. Resolve employee complaints at the most immediate administrative level;

3. Ensure confidentiality and consistency regarding employees and application of policies and procedures;
4. Ensure due process for employees.

The Superintendent will be responsible for monitoring the administration of policies and procedures regarding employee complaints and for ensuring equitable treatment of employees at the School.

A Complaint is the first level of expressing discontent. It is the policy of the school that employees bring their concerns about employment-related situations, such as work-related decisions, workplace rules, working conditions, or any other employment-related matter, to the attention of their supervisor. All employees will attempt to resolve their concerns at the lowest level whenever possible. If an employee feels their concern has not been addressed, that employee may file a complaint through a formal complaint procedure. All complaints will be addressed fairly and promptly.

A Complaint form and procedures for the form have been developed and are on file at the Personnel Office. All complaints will be filed with the Personnel Office on the approved form and according to the approved written procedures. It is the employee's responsibility to ensure that the form is filled out completely and that copies of all documents to be considered are in the packet submitted. No matter shall be considered as a complaint unless the applicable forms are filled out completely.

Specific steps to be followed in the processing of any employee complaints:

STEP (1): The employee is to complete a complaint form and meet with their immediate supervisor to discuss the complaint in an effort to resolve the difficulty. The supervisor will respond within three (3) working days.

STEP (2): If the employee is not satisfied with the decision of their supervisor, the employee will submit their written complaint within two working days to the Superintendent, with a copy to their immediate supervisor, the Superintendent will respond within three (3) working days. The Superintendent's decision is final. In the event that the Superintendent is the immediate supervisor of an employee who issues a complaint the written complaint will be submitted to the school board for further action.

All forms of cyber bullying are viewed as a violation of this policy and the School's acceptable computer use policy and procedures.

Users are responsible for the appropriateness of the materials they transmit. Hate mail, harassment, discriminatory remarks, or other anti-social behaviors are expressly prohibited. Cyber bullying includes, but is not limited to the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting

inappropriate and hurtful e-mail messages, instant messages, text messages, social media, digital pictures or images, or web site postings, including blogs. It is also recognized that the author (poster or sender) of the inappropriate material may be disguised (logged on) as someone else.

GBDA BACKGROUND

It is the policy of Enemy Swim Day School to perform pre-employment background checks on all employees, volunteers and substitutes. The Indian Child Protection and Family Violence Protection Act, as amended, requires that tribes and tribal organizations receiving federal funds under the Indian Self-Determination and Education Assistance Act conduct national criminal background investigations of prospective employees who will occupy positions having regular contact or control over Indian children. The purpose of performing these checks is to determine and/or confirm the qualifications and suitability of applicants and employees for the particular position for which they are being considered. The school will only employ those individuals that meet the standard of character according to P.L. 101-630: Indian Child Protection and Family Violence Prevention Act and P.L. 101-647: Crime Control Act.

Specifically, Section 408 of P.L. 101-630 of the Indian Child Protection and Family Violence Protection Act requires that organizations:

1. Compile a list of all authorized positions that duties and responsibilities involve regular contact with, or control over, Indian children;
2. Conduct an investigation of the character of each individual who is employed, or is being considered for employment in accordance with 23 Code of Federal Regulations Subpart 63 guidelines;
3. Ensure minimum standards of character are met for each individual being considered for a position; and
4. The minimum standards of character shall ensure that none of the individuals appointed to positions covered by the list described in item 1 about, have been found guilty of or entered a plea of nolo contendere (no contest) or guilty to, any felonious offense, or any of two or more misdemeanor offenses, under Federal, State, or tribal laws involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; crimes against persons; or offenses committed against children.

Furthermore, Section 231 of P.L. 101-647 of the Crime Control Act of 1990 requires background investigations of “individuals involved with the provision of children under the age of 18 of child care services.” Child care services is defined in the Crime Control Act as “child protective services, social services, health and mental health care, child (day) care, education (whether or not directly involved in teaching), foster care, residential care, recreational or rehabilitative programs, and detention, correctional or treatment services.”

P.L. 101-647 mandates:

1. All existing and newly-hired employees undergo a criminal history background check within prescribed time limits;
2. Employment applications shall contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child, and if so requiring a description of the arrest or charge;
3. Obtain signature of the employee or prospective employee indicating that the employee or prospective employee has been notified of the employer’s obligation to require a record check as a condition of employment and the employee’s right to obtain a copy of the criminal history report made available to the employing organization and the right to challenge the accuracy and completeness of any information contained in the report;
4. The results of the background check shall be communicated to the school; and,

ESDS Policy G: Personnel August 2020

5. Any conviction for a sex crime, an offense involving a child victim, or a drug felony, may be grounds for denying employment or for dismissal of an employee involved in the provision to children under the age of 18 of child care services. Conviction of a crime other than a sex crime may also be considered if it bears on an individual's fitness to have responsibility for the safety and well-being of children.

Procedure:

1. Applicants will be required to sign appropriate authorizations and consents prior to performing any background checks.
2. The school relies on the accuracy of information on the employment application. Any misrepresentations, falsifications, or omissions in any employment information may result in no further consideration for employment. Applicants who fail to disclose accurate and complete information regarding any substantial negative history of criminal convictions may not be considered suitable for hire. The school will also comply with all applicable tribal, state and federal laws to ensure candidates are not discriminated against because of negative history of convictions. The results of the background check will only be used for the purpose of determining an individual's suitability for employment while maintaining strict confidentiality. Individuals that provide false or misleading information in their application and/or authorization may be eliminated from any further consideration.
3. Prior to taking any adverse action, notices will be sent to the applicant along with the contents of the background check results that were considered adverse. The applicant will be given the opportunity to clarify any adverse findings.
4. A determination of suitability of employment will be made for each applicant. The school does not automatically disqualify any person from hiring due to a criminal record.
5. Each determination will be adjudicated by the Enemy Swim Day School Board. The decision of the school board is final.
6. All offers of employment are contingent upon successful completion of the background checks.

Unless required by law, no documents related to criminal background checks will be released and none of the information contained in such documents may be shared with persons other than those that need to know such information. All records generated or received on each candidate relating to the criminal background check are considered confidential and will be kept in a secure area.

All background information is the property of Enemy Swim Day School and will not be duplicated or sold to the applicant or another entity.

Employees of the School that are enrolled in courses in higher educational institutions may be granted four (4) hours per week for educational leave, as long as participation does not significantly interrupt the delivery of instructional services to students. This leave must be reported to the Board.

GBRIJ WEATHER LEAVE

The purpose of weather leave is to allow additional safe travel time for students and staff during inclement weather. Weather leave is not automatically granted to employees.

Weather may differ due to the geographical diversity in our area. Employees are encouraged to use their best judgement when traveling in winter weather. Unplanned leave is intended to be used on those occasions when weather prevents an employee from arriving at school for their scheduled work hours. The Employee will be charged unplanned leave to equal the amount of the contracted work day.

Late starts: Employees must be clocked in prior to 9 am on a late start day. Tardy employees (those arriving after 9 am) will be charged leave from 9 am until their clock in time.

Early dismissals: Employees must be clocked in at the time of an early dismissal. Employees leaving before the time of early dismissal will not be granted weather leave. An employee that leaves prior to early dismissal will be charged leave from the time they left to the end of their scheduled work day. Staff dismissal time may differ from student dismissal time. Superintendent will notify staff.

Planned or Unplanned (LWOP if applicable) leave: If an employee has already scheduled planned leave (or it becomes necessary to use unplanned leave for any reason) on a day there is a late start or an early dismissal, the employee will be charged the full 8 hours of leave.

Those employees that have work schedules outside of 8 a.m. to 4 p.m. are not automatically granted weather leave, in example; OST and night facilities. The Superintendent shall have the discretion to grant weather leave for these employees should circumstances warrant it.

GBRIL LEAVE OF ABSENCE

Leave of absence is a long-term leave without pay for up to one year. A leave of absence may be granted only if it is determined that the leave will be of mutual benefit and interest to the School and the employee. Leave of absence must be requested in writing to the Superintendent stating purpose, when it will start, and when it will end. The School Board must approve the request. Any employee on leave of absence status is not entitled to any benefits accrued during that period.

GBRILA SHORT-TERM LEAVE OF ABSENCE

A short-term leave of absence, defined as 10-120 days, can be granted by the School Board upon receipt of a requesting letter. An employee will use available leave prior to entering

leave without pay status.

GBRIM TARDIES

An employee is considered tardy when s/he is not at their work station at the time their scheduled shift begins. If an employee expects to be late they will contact the Supervisor as soon as possible. Acceptable forms of communication with supervisor are telephone call, email, or text but a supervisor's response is **required** to be valid. If supervisor does not respond it is the employee's responsibility to continue to establish contact. A Sub may be called in to cover due to no contact from the employee. If the employee shows up late without notification and a Sub has been hired for them, the employee may be sent home upon late arrival and LWOP will apply. AWOL may also apply depending on the circumstances.

GBRJ ARRANGEMENT FOR SUBSTITUTES

Selection:

1. Supervisors or designees will select substitute personnel as required from an approved list. If the substitute is needed in the teaching area, preference should be given to those approved persons who are certified to teach.
2. All substitutes are required by the Board to have an application form completed, a successful background check and approved by the School Board.

Substitute rates will be set yearly at the re-organizational meeting.

GBRK ABSENT FROM DUTY STATION

Cell phone and mobile device usage should be limited to professional use only during regular work hours, this includes texting and social media. Confidential school information must be protected. Personal cell phone use will be allowed during non-student contact time. Inappropriate cell phone use is subject to disciplinary action.
