**JB ADMISSION AND ATTENDANCE**

Students must meet all admission requirements to be considered for admission. The School Board has the right to restrict class sizes. Enemy Swim Day School expects students to be in attendance for at least 94%.

**JBA COMPULSORY ATTENDANCE**

It will be the responsibility of the Administration and School Board to enforce the Compulsory Attendance Law as prescribed by Sisseton Wahpeton Oyate Ordinance.

**JBC SCHOOL ADMISSION**

The student must be living with parents or guardians within the attendance boundaries of the school. The bus boundaries set the boundaries of the school. Students may be provisionally enrolled by the principal until approved for full admission by the school board at the next regular school board meeting. The school board reserves the right to deny admission if the school's requirements are not met or for other extenuating circumstances. The school board also reserves the right to close enrollment.

The parent/guardian is required to complete all enrollment forms of the school prior to being considered to have full admission. The forms include:

1. Medical (Immunization) Forms
2. 506 Form (If applicable)
3. Tribal Enrollment Card/Certificate

**JBCA                    TRANSFER                    STUDENTS**

Students that have previously been enrolled in either a public school, boarding school or a Tribal school sharing attendance boundaries with the Enemy Swim Day School shall file their request with the Enemy Swim Day School. The student will be allowed to be admitted to the Enemy Swim Day School during the open enrollment period pending School Board Approval. Requests that are not in the specified time will be presented at the next School Board meeting.

Students that transfer from outside the boundaries shall be admitted upon the completion of the admission process and approval of the principal.

**JBCB                    STUDENTS IN TRANSITION (HOMELESS)**

Enemy Swim Day School will provide children or youth experiencing homelessness with services comparable to services offered to other students in the school. Enemy Swim Day School will ensure the immediate enrollment of children or youth experiencing homelessness regardless of a lack of records and will work to quickly secure records for children and youth. The school will ensure the elimination of stigma or segregated services while working to eliminate identified barriers for homeless children and youth.

Students in transition will be identified through the Student Residency Verification Document which is part of the school enrollment packet. Homelessness is defined as students living:

- In a Shelter
- In a Motel or Campground due to lack of an alternative adequate Accommodation
- In a Car, Park or Abandoned House or Building or other Public space
- Doubled up with other people due to loss of housing or economic hardship

Students in transition have the right to:

- Receive a free, appropriate public education.
- Enroll in school and attend classes immediately while the school gathers lacking documents normally required for enrollment.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is parent preference and is feasible.
- A determined transportation plan to and from the school of origin, if requested by parent and feasible. Enemy Swim Day School will work with the school of origin and families to determine the best educational interest of children in transition and coordinate transportation to the school of origin. If applicable, ESDS will provide a written explanation of its determination not to coordinate transportation and inform parent of the right to appeal decisions.
- Receive educational services comparable to those provided to other students, according to the student's needs.
- School nutrition programs
- Referrals to outside agencies that may be able to assist families experiencing homelessness

Enemy Swim Day School provides a McKinney Vento liaison to work directly with students and families experiencing homelessness and to coordinate services with outside agencies. Should a dispute arise concerning services for students and families in transition, the McKinney Vento coordinator will assist families in filing a complaint using the school's complaint procedure found in Policy JCE JCHD.

**ESDS Policy J: Students Approved July 2023 – JDBB updated 11/8/23**

**JBD STUDENTS WHO HAVE BEEN EXPELLED FROM A PRIOR SCHOOL**

Enemy Swim Day School may prohibit a student from enrolling in ESDS if the student is under suspension or expulsion from another school. Upon receiving a request for a student’s permanent school records from the receiving district, the sending school shall provide the receiving district with written notice of any suspension or expulsion.

**JBE JUVENILE SEX OFFENDERS (Ref: SWO-Chapter 75-05-12)**

All Juvenile Sex Offenders, age 14 and older are required to register with the Sisseton Wahpeton Oyate (SWO) Sex Offender Registry Office (SORO). The SWO SORO will also contact the School and provide notice that a student is registered with the SWO SORO.

Category 1 Juvenile Sex Offenders will not appear on the SWO Sex Offender Public Website.

Category 2 Juvenile Sex Offenders will appear on the SWO Sex Offender Public Website, however photographs will not appear on the Sex Offender Public Website.

Category 3 Juvenile Sex Offenders will appear on the SWO Sex Offender Public Website.

All Category 1, 2 or 3 juvenile sex offenders must request admittance to attend ESDS from the school board. The school board reserves the right to deny admission. (Ref. JBC) If the juvenile is already an ESDS student when the violation occurs, the administration must be notified immediately. The administration will take the following steps:

1. Request information regarding the student’s juvenile record and any information regarding the offense committed, adjudication, probationary status and treatment status from the department of law enforcement and other appropriate entities.
2. Convene a board meeting to determine what administrative action should be taken to protect the health and safety of all students.

**JBF ASSIGNMENT OF STUDENTS TO CLASSES**

Grade placement is made by the Principal according to the academic history and progress of the student. Admission will be granted once the application has been approved by the school board.

Transfers from other schools shall be honored in reference to the student’s placement until such time as there may be evidence that the student would be better placed.

**JBG ABSENCES AND EXCUSES**

An excused absence is an absence because of approved student activities: 1) prior approved cultural activities for students that collect their assignments before absence, 2) personal illness, 3) death in the family, 4) prior approved educational activities for students that collect their assignments before absence.

Approved absences for cultural or educational activities may be counted as school days with prior approval from an Administrator. Educational activities may be counted as school days with acceptable documentation.

## **ABSENCES**

If a student is going to be absent from school, an excuse signed by the parents or a phone call is required to be made to Administration. Administration will contact parents when no excuse is provided by parent. All Absences will be marked as unexcused if no contact is received from parent/guardian within 48 hours of absence.

Parents will be notified in writing by Administration when their student drops/falls below 90% accumulative attendance rate.

If a student misses 10 consecutive days, the school will drop the student from school enrollment. The student will have to petition the school board for re-enrollment.

When a student drops/falls below 90% accumulative attendance rate parent/guardian will be required to attend a Student Assistance Team meeting for attendance. The team may consist of the following: The appropriate grade level team, administrator, student services, parents and guidance counselor.

If a student has 10 days of absence (AE or AU, excluding documented AEM days) during the school year, the parent will meet with the Principal to develop an attendance contract. Administration may determine a contract is not necessary, due to documentation of legitimate excused absences and demonstration of improved attendance. The students may be dropped from enrollment if the parent/student does not meet with the Principal. The principal will provide the school board with an updated student attendance report at the next regular school board meeting. If the attendance contract is violated, the parent will be scheduled to meet with the school board for possible disenrollment. Any student that has been on an attendance contract the prior year unsuccessfully, will begin the new school year with an attendance contract. Students with attendance contracts for 2 consecutive years or who are in violation of current attendance contract will not have priority status for enrollment. The Board will review the application for approval of enrollment prior to starting school.

The school administrator/Truancy Interventionist will notify the Child Protection Program/Court Juvenile Services when a student reaches 10 days of unexcused absences and again at 15 days of unexcused absences during a school year.

If a student is absent for 3 or more consecutive days due to illness, they will be required to provide a doctor's slip or it is recorded by the school as an unexcused absence.

If it is necessary for a student to leave school during the day, Administration needs to be informed in writing or by phone, and the student needs to be signed out at the office by the parent/guardian.

K-8 Students who have been absent or plan to be absent will meet individually with their teachers to get their assignments as part of the classroom procedures. Students who do not complete make up work within 2 days will be assigned to ZAP (according to the homework policy) until the work is completed.

A student is counted absent in the morning if he/she leaves before 10:00 am or half-day absent if he/she comes in after 9:30 am. If he/she leaves before 2:30 pm, he/she is counted absent in the afternoon. They will be counted tardy if they come in between the hours of 8:20 am and 9:30 am (On early release days, students are counted half-day absent if they arrive at 9:00 am or leave before 12:00 pm).

Students are not permitted to leave the school grounds during recesses or before school, unless they have written permission from the parent or guardian and/or permission from the principal.

## **ESDS Policy J: Students Approved July 2023 – JDBB updated 11/8/23**

Students arriving tardy to school or leaving early are missing significant teaching and learning time. This time may be counted as an additional absence when equivalent to one 7-hour school day, in consideration of the need for a Student Assistance Team meeting or an attendance contract.

REMOTE ATTENDANCE: Students must complete a daily remote assignment or participate in class video conferencing to be considered present that day for that class. Students must be in attendance in 75% of core classes to be counted as a full day. Students must be counted in attendance for at least 35% of core classes to be counted as a half-day present.

The school will provide remote instruction for FACE through Eighth (8<sup>th</sup>) grade through video conferencing, google classrooms and instructional support materials. Students will have access to appropriate educational materials and receive daily interaction with their certified teacher. Student learning supports that are identified on a student's Individualized Educational Program (IEP), 504 Plan, or Gifted program, will be provided remotely.

The Administration oversees the implementation and continuation of Remote Learning with support for teachers, students and parents. ESDS' Network Administrator will be available for support, and will maintain the infrastructure of all platforms. The confidentiality of student and staff information will be protected. The school will ensure the online platforms, class meetings and all other communications are secure and will not allow for the release of protected student or staff information. Daily/weekly schedules for each grade level will be created and given to students and parents-

LATE BUS ESDS offers a late bus for occasional, unexpected occasions when students have missed their bus on Monday through Thursday. Each student will be granted a total of one late bus tardy per week during the school year. Additional late bus use will be considered chronic and counted as a ½ day absence. Chronic use of the late bus may result in a Student Assistance Team meeting or an attendance contract.

### TARDIES TO CLASS

Students are expected to report to class on time. A student is tardy if he/she arrives to class within 5 minutes after the scheduled time to begin class (bell). If excused, a pass will be given by the staff member responsible for the student when late to class.

The teacher and student will meet to develop a plan after 2 tardies to same class period. Parent/legal guardian will be notified by the classroom teacher of students who are tardy 5 times-to the same class to determine an appropriate plan of action and the next steps.

### SKIPPING

Another way of saying this:

Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who has a hard time defending him or herself.

#### **Bullying has three parts:**

1. Bullying is *intentional aggressive behavior* that involves unwanted, negative actions. It is deliberate, being hurtful on purpose. This includes hurtful words (written and spoken), actions, gestures, false rumors, exclusion, and other unkind acts.
2. Bullying is *repeated over time*, involving the same or several different persons.
3. Bullying is *between two people with a difference of power* – the person doing the bullying may be physically stronger, have more powerful social connections (such as popularity), or other power such as money, or racial or ethnic heritage.

**ESDS four anti-bullying rules:**

1. We will not bully, disrespect or be hurtful to others.
2. We will help students who are bullied.
3. We will include students who are left out.
4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

All forms of cyber bullying are viewed as a violation of this policy and the School’s acceptable computer use policy and procedures.

Users are responsible for the appropriateness of the materials they transmit. Hate mail, harassment, discriminatory remarks, or other anti-social behaviors are expressly prohibited. Cyber bullying includes, but is not limited to the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful e-mail messages, social media posts, instant messages, text messages, social media, digital pictures or images, or web postings. It is also recognized that the author (poster or sender) of the inappropriate material could be disguised (logged on) as someone else.

Students and community members, who believe they have been victims of such misuses of technology, as described in this policy, should not erase the offending material from the systems. A copy of the material should be brought to the attention of a principal or teacher.

In situations in which cyber bullying originated from a non-school device, but brought to the attention of the school staff, any disciplinary action shall be based upon whether the conduct is determined to be severely disruptive of the educational process so that it markedly interrupts or severely impedes the day to day operations of the school. In addition, such conduct must also violate a school policy. Such conduct includes, but is not limited to, threats, or making threats off school grounds, to harm a member of the school staff or a student.

Malicious use of School’s computer system to develop programs or to institute practices that harass other users to gain unauthorized access to any entity on the system and/or change the components of an entity on the network is prohibited.

## ESDS Policy J: Students Approved July 2023 – JDBB updated 11/8/23

(34 CFR § 106.44(a))

### **JHC SOCIAL EVENTS**

Providing students with appropriate social activities is beneficial to their overall development. These events may be on a school-wide basis or limited to a portion of the students in a school. All events will be under the authorization of administration. Supervision is the responsibility of the adult in charge of the organization sponsoring the event. Students sponsoring such activities will be responsible for cleaning any school facilities utilized for their particular activity, advertising, acquiring necessary law enforcement for monitoring, or other organizational and planning activities.
